

## New Video Direct from Cisco Live!

As Ann promised yesterday, we've got some terrific video of Cisco Live to share with you. Ann has been wearing out the soles of her shoes, working the conference and meeting the community members who make Cisco Learning Network such a great place.

[Take a look](#) at the latest interviews with Terry Slattery, Scott Morris, Grant Sauls and many other IT professionals who have been sharing their experiences and career advice. We'll be adding more video as Ann films it, so [stay tuned](#)! Carole McManus  
Community Manager
